**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2021**

The Trustees present their annual report together with the audited financial statements of the The League of Friends of Stroud Hospitals and Related Health Provision for the period 1 January 2021 to 31 December 2021. This is the second set of accounts since the charity was formed and the Trustees have elected to continue to prepare accounts to 31 December as permitted by the Trust Deed.

The Charity also trades under the name The League of Friends of Stroud Hospitals.

Objectives and activities

a. Policies and objectives

The objective is to relieve patients, former patients and potential patients of the Stroud Hospitals and the Beeches Green Health Centre who are sick, convalescent, disabled, handicapped, infirm or in need of health care support and, generally, to support the charitable work of the said hospitals.

The remit of The League of Friends of the Stroud Hospitals and Related Health Provision covers Stroud General Hospital, Stroud Maternity Hospital, Weavers Croft and Park House, Beeches Green Health Centre and Redwood House, and Stroud Ambulance Station, to supplement the services provided by these centres for the health, welfare and comfort of the patients therein and others in the community.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Strategies for achieving objectives

NHS Trusts: We continue to liaise with the various NHS Trusts involved in providing services to Stroud. The Chair, along with the Chairs of other local Leagues of Friends, has quarterly meetings with the Chief Officers of Gloucester Health and Care NHS Foundation Trust (GHCFT).

c. Investment policy

There are no restrictions on the charity's power to invest and as the charity sometimes needs to react very quickly on applications for direct charitable expenditure, it has a policy of keeping the restricted and designated funds in short-term deposits which can be accessed immediately. The Trustees have sought investments that will show capital appreciation in a medium term 5-10 year timescale as well as generating income. The Trustees' investment policy is to generate increases in overall value that exceed the portfolio.

The Trustees have retained Charles Stanley & Co to give professional investment advice and act on a discretionary basis. The trustees meet with them twice per annum to review investment performance and ensure holdings are in line with policy – which precludes investments in weapons, tobacco or alcohol. All investment changes are notified and explained to the Chair and Treasurer as they occur.

**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

Objectives and activities (continued)

d. Grant-making policies

The Trustees have outlined guidance for the League's grant-making policy:

1. To support existing and any new services within the two hospitals and related NHS services (for example Weavers Croft), and in particular support that improves the long-term viability of healthcare provision in those settings, in accordance with our constitutional aim of 'to relieve patients, former patients and potential patients of the Stroud Hospitals and related health provision who are sick, convalescent, disabled, handicapped, infirm or in need of financial assistance, and generally support the charitable work of the said Hospitals'

2. To support community-based health and general well-being services provided by registered charities or equivalent, and recognised agencies, as permitted within the Constitution, and in particular those which will complement the services provided by the hospitals or which relieve the demand upon the hospitals, be that for prevention, diagnostics or treatment. This is in accordance with the constitutional aims as stated:

- To supplement the service provided by or in Stroud Hospitals for the health, welfare and comfort of the patients therein and other persons in the community
- To provide or procure the provision of services, education, training, consultancy, advice, support, counselling, guidance, grants, scholarships, awards or materials in kind.
- To co-operate and enter into any arrangements with other bodies, governments, authorities or any person, company or association.

e. Fundraising

The Charity does not undertake any significant fundraising activities due to the level of voluntary donations and legacies received on an ongoing basis.

Achievements and performance

a. Main achievements of the Charity

This Annual Review covers the financial year 2021. Covid dominated 2021 but our support and activity was not diminished. The Trustees managed well by communicating with each other via extensive e mail discussions and the inevitable Zoom meetings. In fact we had a very busy year and distributed significant funds.

**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

Achievements and performance (continued)

b. Review of activities

The two hospitals and Weavers Croft were still preoccupied with the challenges presented by Covid, so once again there were fewer requests than usual from them for support. However, we were approached by Gloucestershire Health and Care Trust to make a contribution to the major upgrading of the Minor Injuries and Illness Unit (MIIU) and Jubilee Ward. The League of Friends contributed £515,000 to this project, principally to upgrade what would have otherwise been standard NHS provision, and it will mean that the MIIU is larger and has a better layout than otherwise. The upgrading of both the MIIU and Jubilee Ward will give many years of service to the community.

In addition to this significant contribution, the League of Friends allocated a further £150,000+ on other items. This included more than £50,000 for urology equipment to maintain the high standard of the hospital's endoscopy department, and we replaced the ultrasound equipment (£62,000) which the League has provided on a regular basis since 1970 when the service was first initiated. Other purchases include an operating theatre warming mat, a gazebo for Weaver's Croft, sit-on scales and other items. The maternity hospital was not overlooked either, as we contributed £20,000 towards a refurbishment.

All this was alongside the usual support that we give to the maternity hospital for their pre- and post-natal yoga sessions and singing groups. We continued to provide a free respite bed at Horsfall House for those registered with the local GP practices in Stroud and the Five Valleys area. Along with Horsfall House, we are hoping that 2022 can return to the full complement of 365 bed nights.

As a response to Covid, as in 2020, we decided to allocate some funds to those organisations working in the local community which have provided vital health and well being services during 2021. The local charities we supported covered a wide range of provision including palliative care (Longfields), cancer treatment (Hope for Tomorrow), mental health support, elderly and dementia day care (Horsfall House), youth services, and special needs children and their families. This was in line with both our Constitution's aims and objectives and our grant making policy. We considered this an appropriate use of funds to help the health and well being of the local community particularly during the pandemic with the additional challenges that it presented.

We supported 11 organisations, totalling £77,330, with the principal beneficiary being 'Hope for Tomorrow' (£33,000). It provides weekly chemotherapy and other cancer treatment from a specialist mobile unit which parks at the back entrance of Stroud Hospital. Our grant covers the cost of delivering their Stroud provision and we are delighted to be able to help in this way. It enables Stroud residents to receive their regular treatment in Stroud rather than Cheltenham, and is a much valued service. We decided to continue funding them for their Stroud provision until end of 2024, making four years of support.

Grants

Hope for Tomorrow	£33,000
Listening Post	£13,000
Longfields	£7,000
Allsorts	£7,000
The Door	£5,000
Community Connexions	£5,000
St Rose's	£3,000
Nelson Trust	£2,000
Homestart	£1,000
Paganhill Comm Group	£1,000
Middle of the Hill	£300

**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

Achievements and performance (continued)

c. Interruption of normal League of Friends' activities

Horsfall House: Our support of the respite bed has been significantly interrupted over the last two years as Horsfall House had to suspend respite care due to Covid. Consequently in 2020 we funded fewer 'bed nights' (107), but this was increased to 228 bed nights in 2021. This means that we funded 335 bed nights (with the potential capacity being 730) over the course of two pandemic years. Along with Horsfall House, we are hoping that 2022 can return to the full complement of 365 League funded bed nights. The challenges of Covid means that the need for relief to families for respite care has become even greater than before and we are pleased that we can contribute in this way.

Weavers Croft: Social distancing measures severely impacted on the delivery of both the Men's Shed and Gardening projects at a time when the need for mental health support was at its greatest. To enable safer outdoor provision, the League of Friends funded a gazebo which is a welcome and permanent facility.

Stroud Maternity: While continuing to deliver babies, albeit under new and onerous Covid restrictions, midwives were unable to continue with the pre- and post-natal yoga and singing groups. However, this was delivered online or in person dependent upon the restrictions.

Meetings: Trustees meetings and GHCFT Chairs' meetings were conducted by Zoom and Members were updated on our activities via newsletters.

Volunteers and Gardening Group: Volunteering within the hospital remained suspended from March 2020 until the end of the 2021. However, a few members of the gardening group resumed their activities, either working singly or one or two working socially distanced. This meant that the previous bulb planting could be tended and the gardens maintained.

Events: All normal events, such as the Christmas activities, fundraising events and the Annual Church service were cancelled.

d. The NHS

As in all years, but in particular for this financial year, this report would not be complete without recognition of the dedication, resilience and adaptability shown in the face of the most extreme and unimaginably challenging circumstances by all the staff of the two hospitals and Weavers Croft. This gratitude extends equally to the administrators of the two NHS Foundation Trusts and all the allied services, such as Ambulance and Primary Care. Locally and nationally we are indebted to you all.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021**

b. Reserves and Financial Management policy

The Charitable Incorporated Organisation has free reserves in excess of £1.8m. The Trustees have identified two significant projects at the Hospital which may require around £950K of financial support from the Charity in the next few years. Existing support for Community based projects is close to £100K per annum. The Charity has little in the way of ongoing costs. Having given the matter appropriate consideration, the Trustees have concluded that Free Reserves of around £50K are adequate. In order to reach this level The Trustees intend to commit up to £300K per annum over the next 4-5 years to support local health provision including those based in the community. The majority of the Charity's Reserves are invested through Charles Stanley in order to preserve and grow their value. These investments will be liquidated in order to fund the intended charitable expenditure over the next few years.

c. Principal risks and uncertainties

The Trustees actively and regularly review the risks which the Charity faces. The Trustees believe that by having a clear strategy for spending reserves, use of an Investment Broker, ensuring appropriate controls exist over key financial systems and an open Trustee recruitment process, the key risks faced by the Charity have been mitigated appropriately.

Structure, governance and management

a. Constitution

League of Friends of Stroud Hospital and Related Health Provision is a registered charity, number 1187228, and is constituted under a CIO Constitution.

b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees who are elected at the AGM or co-opted under the terms of the CIO Constitution. New Trustees receive a copy of the the Charity Constitution and are briefed on the activities of the charity by the Chair.

c. Governing Document

The League of Friends of Stroud Hospitals and the Health Centre was a charitable trust governed by the rules adopted on 14th March 1964, as amended and registered under the Charities' Act 1960, Charity Registration No. 230803. The charity has due regard for the Charity Commission's guidance on public benefit. A previous amendment to the Constitution was approved by members on 22nd September 2011, based upon the Constitution recommended by Attend. In late 2017, the Trustees decided, subject to Members' approval, that Stroud Hospitals League of Friends should become an 'incorporated' body. A motion was put forward at an EGM on 27th November 2019 to make this change. Information relating to this was circulated to Members and the motion was duly passed, enabling Stroud Hospitals League of Friends to become a CIO (Charitable Incorporated Organisation) alongside its charitable status. The new Constitution was based upon the existing one, with no significant changes other than to bring it in line with the requirements of a CIO. The CIO was formed on 6th January 2020 registered number 1187228 and the assets and liabilities of the original charity were transferred into the CIO on 1 July 2020.

d. Organisational structure

The League is administered by an Executive Committee of up to ten people who usually meet approximately six times a year, in addition to three General Members Committee meetings and the AGM. All Executive Committee members are appointed at the Annual General Meeting. The General Members Committee represents local organisations, volunteers and the Events Committee.

e. Privacy Policy

In line with legislative requirements relating to data protection, the Trustees have implemented a Privacy Policy and have made the necessary arrangements to become compliant. This will be regularly reviewed.

LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021

Structure, governance and management (continued)

f. Relationships with other charities

The League is an affiliated member of Attend. The Chair has regular meetings with the Chairs of other Leagues of Friends in Gloucestershire.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the CIO Constitution. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Auditors

The auditors, Azets Audit Services, have indicated their willingness to continue in office. The designated Trustees will propose a motion reappointing the auditors at a meeting of the Trustees.

Approved by order of the members of the board of Trustees and signed on their behalf by:

Dr R Walker

Mr W Abbott

Date: 13 September 2022

LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LEAGUE OF FRIENDS OF STROUD
HOSPITAL AND RELATED HEALTH PROV**

Opinion

We have audited the financial statements of League of Friends of Stroud Hospital and Related Health Provision (the 'charity') for the year ended 31 December 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LEAGUE OF FRIENDS OF STROUD
HOSPITAL AND RELATED HEALTH PROV (CONTINUED)**

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)**

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LEAGUE OF FRIENDS OF STROUD
HOSPITAL AND RELATED HEALTH PROV (CONTINUED)**

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtain and update our understanding of the entity, its activities, its control environment, and likely future developments, including in relation to the legal and regulatory framework applicable and how the entity is complying with that framework. Based on this understanding, we identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. This includes consideration of the risk of acts by the entity that were contrary to applicable laws and regulations, including fraud.

In response to the risk of irregularities and non-compliance with laws and regulations, including fraud, we designed procedures which included;

- Enquiry of management and those charged with governance around actual and potential litigation and claims as well as actual, suspected and alleged fraud;
- Reviewing minutes of meetings of those charged with governance;
- Assessing the extent of compliance with the laws and regulations considered to have a direct material effect on the financial statements or the operations of the entity through enquiry and inspection;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Performing audit work over the risk of management bias and override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for indicators of potential bias.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV

HOSPITAL AND RELATED HEALTH PROV (CONTINUED)**

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

League of Friends of Stroud Hospital and Related Health Provision meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist.

1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Charity, can be reliably measured.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies (continued)

1.4 Expenditure (continued)

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 Income from Investments

Income from Investments is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

1.7 Income from donated services & facilities

Donated services or facilities are recognised when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time of the Charity is not recognised. Refer to the Trustees' Report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

1.8 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

LEAGUE OF FRIENDS OF STROUD HOSPITAL AND RELATED HEALTH PROV
(Charitable Incorporated Organisation)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies (continued)

1.9 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

1.10 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.11 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.12 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.13 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

1.14 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.15 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. Accounting policies (continued)

1.16 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

2. Income from donations and legacies
